Non-refundable contribution

National Transformation Fund

The Fund is responsible for financing projects supported by the Government of Grenada.

Funds received from CBI grants are redistributed in key areas and sectors of the country, such as tourism, agriculture, alternative energy, etc.

- The amount of investment from \$150k plus processing and Due Diligence fees
- The investment is paid upon approval

Investment in real estate from \$200,000

The government of Grenada has approved a list of real-estate projects, which investors can purchase for the purpose of obtaining citizenship.

- Holding period - at least 5 years
- During the holding period the investor can earn a yield

E-2 Visa

Grenada holds an E2 visa treaty with the USA

The E-2 Visa allows its holder to temporarily live and work in the US on the basis of investing into the new or existing company.

Main advantages of the E-2 Visa:

- **Low requirements**

No minimum requirements for the investment amount or the number of employees

- **Investment amount**

Relative to the size of the family and type of business investment

- **Unlimited number of renewals**

Ability to extend the visa for an unlimited number of times

- **Visa for the whole family**

With the right to live, work and study in the USA
