SLOVENIA - BUSINESS RESIDENCY VISA

The small Balkan nation of Slovenia became independent in 1991 and joined the European Union in 2004, 3 years later becoming a member of the Schengen Area.

Positioned in between Italy, Croatia, Austria and Hungary, Slovenia is one of the most geographically gifted nations in Europe. The country features picturesque mountainous terrain along with gorgeous Alpine Valleys and a vast network of rivers leading to pristine lakes and a slice of the gorgeous Adriatic Sea.

Slovenia is a peaceful nation and offers a business friendly and entrepreneurial environment along with a much more reasonable cost of living compared to its neighbours. An ideal base in Europe, Slovenia residents benefit from visa-free travel to the Schengen Area, high quality healthcare and education.

HOW TO QUALIFY

Register an LTD company and invest a minimum founding capital of 7,500 EUR.

To qualify for residency the applicant must then meet one of the following 3 requirements:

- a. Make an investment of 50,000 EUR into fixed assets for their company
- b. Employ a Slovenian Citizen or EU National on a full time basis for a minimum of 6 months
- c. Turnover at least 10,000 EUR in revenues for a minimum of 6 consecutive months

Once these requirements have been met, the applicant can then proceed to apply for the 'Work and Residence Permit.

OTHER REQUIREMENTS

- Accounting services with legal support
- Upon receiving the work & residence permit the investor becomes an employee and a basic wage must be paid along with social security taxes
- The work & residence permit needs to be renewed annually
- After 1 year of residency, family members can also apply for residency in Slovenia
